

Hey! You just found **piece D** of the „Exit the MS Teams Room“ challenge!

Here are **three puzzle pieces** that help you solve **three of the four riddles**.

1. Are you a tech history geek? Then you might know this:

>> When did Alan Turing come up with the idea of the “Turing test”? <<

2. Can you find this number on the picture?

>> The sum of the elements <<

4. A visual puzzle piece, useful for riddle number four:
